> What is Dual Enrollment?

Dual enrollment is a special opportunity for high-achieving high school juniors and seniors to earn high school and college credit while still in high school. The Winthrop courses can potentially satisfy both high school and college graduation requirements.

Why Winthrop University?

At Winthrop, your daughter or son is the focus. He or she will be known as a student and a person – not a number. Our students are challenged and supported to succeed, taking learning to a whole new level.

When are dual enrollment courses offered?

Courses are offered at various times during the fall, spring and summer semesters.

Where are dual enrollment courses offered?

Courses meet on the Winthrop University campus in Rock Hill and online.

Who is teaching the dual enrollment courses?

Winthrop University's highly qualified faculty teach dual enrollment courses.
