

Dual Credit Course Offerings  
 Spring 2024  
 Winthrop University & York Preparatory Academy

**How many classes can I take?**  
 Students can enroll in up to 10 credit hours per semester

- 1-4 credit hours: \$495
- 5-8 credit hours: \$990
- 9-10 credit hours: \$1495
  - o Dual Credit program fee doesn't include cost of textbooks, parking pass or lab fee.

**When are classes offered?**

- Students can take classes on Winthrop's campus or online. Online asynchronous courses will be completed via Winthrop's Learning Management System, Blackboard.
- For on-campus courses, look under the "course times and instructional styles" column. You will see a section number, day(s) of week and time.
  - o M: Monday, T: Tuesday, W: Wednesday, R: Thursday, F: Friday

|   | WU Course  | Description of Course   | Course times and instructional styles                                  | Credit Hours   |
|---|--|---|--|----------------|
| 1 | ACCT 280:<br>Introduction to<br>Financial Accounting | Description: This course develops the knowledge and skills necessary to analyze, interpret, and use financial accounting data. Topics include an overview of the financial accounting process, fundamental reporting requirements, and financial statement analysis. Prerequisites: C- or better in MATH 150, 151, 101, 105, or 201. Notes: Offered in fall, spring and summer. MATH 150 is insufficient to progress to ACCT 281. | <u>On Campus:</u><br>002 -MW 12:30-1:45pm<br><br><u>Online:</u><br>001 | 3 credit hours |

|   |  |   |  |                   |
|---|--|---|--|-------------------|
| 2 | ANTH 201:<br>Introduction to<br>Cultural<br>Anthropology   | Description: An exploration of cultures throughout the world stressing variability in family, political and economic patterns, religion and world view. Notes: Offered in fall and spring. Global perspective, Social Science   | <u>On Campus:</u><br>003-TR 12:30-1:45pm<br><u>Online:</u><br>005  | 3 credit<br>hours |
| 3 | ARTH<br>175: Introduction to<br>Art History from<br>Prehistory through the<br>Middle Ages  | Description: Survey of art and architecture in the major civilizations of Egypt, the Ancient Near East, Greece, Rome, Byzantium, Medieval Europe, India, China, Japan, and Africa. Notes: Offered in fall and spring.   | <u>On-campus:</u><br>001-TR 3:30-4:45pm<br>002- TR 3:30-4:45pm<br><u>Online-asynchronous</u><br>003, 004   | 3 credit<br>hours |
| 4 | ARTH 176:<br>Introduction to Art<br>History from the<br>Renaissance to the<br>Present  | Description: Survey of art and architecture in Western Civilizations, from the Renaissance to the present. Notes: Offered in fall and spring.   | <u>On campus:</u><br>001-MW 2:00-3:15pm<br><u>Online:</u><br>002   | 3 credit<br>hours |
| 5 | BIOL 150: Elements of<br>Living Systems<br><br>and<br><br>BIOL 151: Elements of<br>Living Systems Lab<br><br>*Will select a time for<br>your lecture (BIOL<br>150) and a time for<br>your lab (BIOL 151) | Description: A course for non-science majors that introduces the unifying principles of biology. The course will cover various levels of organization from molecules to ecosystems. Topics include ecology, energy use and acquisition, biodiversity, evolution, genetics and cells. Notes: Offered in fall, spring and summer.       | <u>BIOL 150: On-campus-</u><br>002-MWF 10:00-10:50am<br>003-MW 2:00-3:15pm<br>004-TR 9:30am-10:45am<br>006-TR 12:30-1:45pm<br><u>BIOL 150: Online</u><br>001<br>005<br><br><u>BIOL 151: On-Campus</u><br>001-MW 9:30-10:45am<br>002-MW 11:00-12:15pm<br>003-MW 9:30-10:45am<br>004-TR 12:30-1:45pm<br>005-TR 2:00-3:15pm<br>006-MW 3:30-4:45pm<br>007-TR 9:30-10:45am<br>008-TR 9:30-10:45am | 4 credit<br>hours |
| 6 | BADM 180: Business<br>Careers and<br>Professional<br>Development   | Description: An introduction to business careers and the tools needed to obtain internships and jobs in those specific fields. Professional development and financial literacy is incorporated. This course will serve as a foundation for a student's business education. Notes: Lab Fee: \$20. Offered in fall, spring, and summer. | <u>On-Campus:</u><br>001-MW 9:30-10:45am<br>002-MW 11:00-12:15pm<br><u>Online:</u><br>003  | 3 credit<br>hours |

|    |  |   |  |                |
|----|--|---|--|----------------|
| 10 | CSCI 207:<br>Introduction to<br>Computer Science I | An introduction to problem-solving methods, algorithm development, and a high-level programming language. Procedural and data abstraction are emphasized early in the course. Students are introduced to object-oriented programming concepts. Students learn to design, code, debug, and document programs using proper programming techniques. Prerequisites: MATH 151, or MATH 101, or a MATH course that has MATH 101 or MATH 151 as a prerequisite, or math placement score sufficient to place into MATH 201. Notes: Lab fee: \$15. | <u>On-campus:</u><br>001-TR 12:30-1:45pm, 2:00-2:50pm<br><br>002-TR 12:30-1:45pm, 3:30-4:20pm            | 4 credit hours |
| 11 | ECON 215: Principles of Microeconomics             | Description: The economic behavior of individual decision-making units in society with development of the concepts of consumer choice and business firm behavior under different market conditions.   | <u>On campus:</u><br>002-TR 9:30-10:45am<br>003-MW 2:00-3:15pm<br><br><u>Online asynchronous:</u><br>001 | 3 credit hours |
| 12 | ENGL 208:<br>Foundations of World Literature       | Description: A survey of representative foundational major works and authors that characterize earlier world literature, including the Ancient, Medieval, and Renaissance periods, and chronologically comparable non-Western works. Notes: Offered in fall, spring and summer. Prerequisites: WRIT 101.  | Not offered in the Spring 2024 semester  | 3 credit hours |
| 13 | ENGL 211: Major American Authors                   | Description: Study of the major periods, literary forms, and issues that characterize American literature, with a consideration of representative major works and authors over the course of American literary history. Prerequisite(s): WRIT 101. Notes: Offered in fall, spring and summer.   | <u>On-Campus:</u><br>001-TR 12:30-1:45pm   | 3 credit hours |
| 14 | FREN 101: Elementary French                        | Description: This is an introductory course intended for students who have not studied French previously. This course emphasizes the development of listening, speaking, reading and writing skills. Notes: Lab Fee: \$25. Offered in fall, spring and summer. Prerequisites: Students with previous study of French should take the departmental placement test before enrolling in this course.   | <u>On-campus:</u><br>001-MW 9:30-10:45am   | 4 credit hours |
| 15 | FREN 102: Elementary French II                     | Description: This course builds on French 101. There is continued emphasis on the development of listening, speaking, reading and writing skills. Notes: Lab Fee:   | <u>On-campus:</u><br>001-TR 9:30-10:45am   | 4 credit hours |

|    |  |   |  |                |
|----|--|---|--|----------------|
|    |  | \$25. Offered in fall, spring and summer. Prerequisites: Completion of French 101 or equivalent with a grade of C- or better, a satisfactory score on the departmental placement test, or permission of the department chair.   |  |                |
| 16 | FREN 201:<br>Intermediate French I               | This course continues to stress development of listening, speaking, reading and writing skills. Special attention is paid to more complex grammatical items such as the subjunctive, contrary-to-fact statements, and relative clauses. Notes: Lab Fee: \$20. Offered in fall and spring. Prerequisites: Completion of FREN 102 with a grade of C- or better, a satisfactory score on the departmental placement test, or permission of the department chair. | Not offered in the Spring 2024 semester  | 3 credit hours |
| 17 | HIST 211: United States History to 1877          | Description: A survey of political, diplomatic, economic, social, intellectual and ethnic developments through Reconstruction with attention to development of the Federal Constitution. Notes: Offered in fall, spring and summer.   | <u>On-campus:</u><br>001- MW 2:00-3:15pm<br>002-MW 12:30-1:45pm<br>004-TR 2:00-3:15pm                          | 3 credit hours |
| 18 | HIST 212: United States History since 1877       | Description: A survey of political, diplomatic, economic, social, intellectual and ethnic developments since Reconstruction with attention to development of the Federal Constitution. Notes: Offered in fall, spring and summer.   | <u>On-campus:</u><br>001-TR 9:30-10:45am<br>002-MWF 9:00-9:50am<br>003-MWF 10:00-10:50am<br>005-MW 2:00-3:15pm | 3 credit hours |
| 19 | NUTR 221: Nutrition                              | Description: Basic nutrition concepts applied to the needs of individuals, families and communities. Notes: Lab Fee: \$10. Offered in fall, spring and summer.  | <u>On-campus:</u><br>003- MW 8:00-9:15am<br><br><u>Online asynchronous:</u><br>001, 002                        | 3 credit hours |
| 20 | MCOM 205:<br>Introduction to Mass Communications | Description: Introduction to the major fields of mass communication with emphasis on advertising, broadcasting, newspapers, magazines, and public relations, and the history of each. Notes: Offered in fall and spring.  | <u>On-Campus:</u><br>001-MW 12:30-1:45pm   | 3 credit hours |
| 21 | MATH 151: Applied College Algebra                | Description: A study of the algebraic skills needed to perform computations in applied settings. Topics include: equations, inequalities, functions, graphs, and financial mathematics. Notes: Lab Fee: \$15. Offered fall, spring and summer.  | <u>On-campus:</u><br>002-MW 5:00-6:15pm<br><br><u>Online asynchronous:</u><br>001, 004                         | 3 credit hours |

|    |   |   |   |                |
|----|---|---|---|----------------|
| 22 | MATH 101: Algebra and Trigonometry for Calculus | The study of algebraic and trigonometric skills needed for single variable calculus. Topics include equations, graphs, polynomial and rational functions, exponential and logarithmic functions, and trigonometry. Notes: Lab Fee: \$15. Credit will not be allowed for MATH 101 and MATH 104. Offered in fall, spring, and as needed in summer. Prerequisites: Satisfactory score on Mathematics placement exam or a C- or better in MATH 151.   | <u>On-campus:</u><br>001-TR 12:30-1:45pm  | 3 credit hours |
| 23 | MATH 201: Calculus I                            | Techniques of differentiation, graphing, maximum/minimum, related rate problems, definite integrals, the fundamental theorem of calculus, logarithmic functions, exponential functions, and other transcendental functions. Notes: Lab Fee: \$15. Credit will not be allowed for MATH 105 and MATH 201. Offered in fall, spring and as needed in summer. Prerequisites: A grade of C- or better in MATH 101 or satisfactory score on Mathematics Department Placement Test. Corequisites: Math 104. A grade of C- or better in MATH 101, or a satisfactory score on the trigonometry portion of the Mathematics Department Placement Test, replaces this corequisite. | <u>On-campus:</u><br>001-MWF 9:30-10:45am   | 4 credit hours |
| 24 | PHIL 101: Introduction to Philosophy            | Description: Overview of the major areas of philosophic inquiry including the nature of reality, of the human self, of moral value, and of knowledge of God's existence. Notes: Offered every semester.   | <u>On-campus:</u><br>002-MW 11:00-12:15pm<br><br><u>Online:</u><br>001  | 3 credit hours |
| 25 | PHYS 201 General Physics I                      | Description: Basic concepts and principles of physics, including mechanics, heat, sound, electricity, magnetism, and optics. Notes: A student may not receive credit for both PHYS 201 and 211 and for both PHYS 202 and 212. Offered in fall. Prerequisites: Completion of General Education Quantitative Skills requirement with a grade of C or above  | Not offered in the Spring 2024 semester   | 4 credit hours |
| 26 | PLSC 201: American Government                   | Description: National governmental institutions and the political processes which shape public policy. Meets state  | <u>On-campus:</u><br>001-MW 2:00-3:15pm<br>002-MW 11:00-12:15pm<br>003-MW 12:30-1:45pm<br>004-TR 9:30-10:45am | 3 credit hours |

|    |                                       |   |   |                |
|----|---------------------------------------|---|---|----------------|
|    |                                       |   | 005-TR 12:30-1:45pm<br><u>Online asynchronous:</u><br>007<br>006                    |                |
|    |                                       | requirements for course on the U.S. Constitution. Notes: Offered in fall, spring and summer.  |   |                |
| 27 | PLSC 202 State and Local Government   | Description: A comparative study of the structure and functions of state and local government institutions and political processes. Notes: Offered in fall and spring.  | <u>On-campus:</u><br>001-MW 3:30-4:45pm   | 3 credit hours |
| 28 | PLSC 207: Comparative Politics        | Description: An introduction to the discipline of comparative politics. The course will explore the theoretical components of governments of the world and will prepare students for upper-level area studies.  | Not offered in the Spring 2024 semester   | 3 credit hours |
| 29 | PSYC 101: General Psychology          | Description: A survey of the major areas of psychological science. Core topics include human social behavior, personality, psychological disorders and treatment, learning, memory, emotion, motivation, human development, biological influences, and research methods. Notes: Offered in fall, spring and summer. | <u>On-campus:</u><br>001-MW 8:00-9:15am<br>002-TR 2:00-3:15pm<br>003-TR 5:00-6:15pm | 3 credit hours |
| 30 | SCWK 200: Introduction to Social Work | Description: Introductory study designed to provide students an overall picture of the nature, philosophy, and goals of professional social work practice. Notes: Offered in fall and spring.   | <u>On-campus:</u><br>001-TR 9:30-10:45am  | 3 credit hours |
| 31 | SOCL 201: Principles of Sociology     | Description: Introduction to the perspectives, approaches and basic concepts used in the sociological study of human social behavior. Notes: Offered in fall and spring.  | <u>Online asynchronous:</u><br>001  | 3 credit hours |

|    |                                 |  |   |                |
|----|---------------------------------|--|---|----------------|
| 32 | SPAN 101: Elementary Spanish I  | This is an introductory course intended for students who have not studied Spanish previously. This course emphasizes the development of listening, speaking, reading and writing skills. Notes: Lab Fee: \$25. Offered in fall, spring and summer. Prerequisites: None. Students with previous study of Spanish should take the departmental placement test before enrolling in this course. | <u>On-campus:</u><br>001-MTWR 9:30-10:45am<br>002-MTWR 2:00-2:50pm<br>003-MTWR 3:30-4:20pm  | 4 credit hours |
| 33 | SPAN 102: Elementary Spanish II | This course builds on Spanish 101. There is continued emphasis on the development of listening, speaking, reading and writing  | <u>On-campus:</u><br>001-MTWR 2:00-2:50pm<br>002-MTWR 10:00-10:50am<br>003-MTWR 3:30-4:20pm<br>004-TR 5:00-6:40pm<br>005-MTWR 9:00-9:50am | 4 credit hours |
