

# International Service Learning in Nicaragua HIST/ PEAC 550 or NUTR 610

Spring Course with travel to Nicaragua from March 9-19, 2018!

- Spend two days in Rocha, Nicaragua working with the people we have accompanied for ten years
- Organize and participate in health workshops in two separate rural Nicaraguan communities
- Learn about and participate in the water projects that we are working on in Rocha and surrounding communities
- See the differences the Winthrop School has made in the lives of the people of Rocha
- Spend three days in the beautiful city of Matagalpa and learn how we are partnering with nonprofit groups in that city
- Hike, site-see and tour the surrounding towns in the state of Matagalpa
- Learn about rural poverty, food insecurity, and social capital in Nicaragua

**Cost: \$1800**  
(includes airfare, food, and lodging for 10 days)
