After 45 hours, all majors must earn and maintain a 2.5 GPA in order to be eligible to take any 300 or above level courses from the Department of Physical Education, Sport and Human Performance.

Students should determine by Year 4 if they do not intend to pursue MSAT. In that case the student can complete the BS in EXSC without the ARTN concentration. Candidates should discuss this with an advisor as soon as known.

^ This set of courses will be used in place of EXSC 208, EXSC 231, EXSC 492/493, and HLTH 406.
