## ArtsBridge Program

June 26 - July 2, 2022

Registration for Arts Bridge closes on March 31, 2022. [REGISTER HERE TODAY!](#)

### About:

Winthrop's ArtsBridge program is 100% grant funded, residential immersive arts learning experience held June 26- July 2, 2022, for teachers and sponsored students from their campus.

\*Sponsored students must be rising sophomores, juniors, or seniors.

ArtsBridge students will earn university credit for a unique course that includes intensive, workshop-style instruction in dance, theatre, music, design and visual art with Winthrop faculty, who are all professional practicing artists and designers, giving students a true college classroom and studio experience.

For ArtsBridge teachers, it is a rare opportunity to receive continuing education credits to explore the value of learning in the arts, experience and develop a studio-mindset to accelerate project-based learning potential in their own classroom; not to mention unlocking their own personal creative confidence.

### Cost: FREE

All costs, including instruction, on-campus housing, and food have been generously provided by Arts Grow SC, which is funded by the South Carolina Arts Commission and the South Carolina Department of Education through American Rescue Plan Elementary and Secondary Schools Emergency Relief (ARP ESSER) funds.

Note: Priority is given to (in the following order) SCDE's Priority high schools, high

schools located in SCAC's Priority Counties, or high schools with a poverty index of 50% or more. Please share this opportunity with your high school educators as promotional materials are still "in development."

## **ST-ARTS Program**

### **June 6 - June 24, 2022**

Since its inception in 1989, Winthrop has hosted more than 9,000 students for the annual **ST-ARTS (Students with Special Talents in the Arts) program**. This program connects middle school-aged students with more than 50 talented artists and musicians and allows them to intensively study a specific arts area. Arts areas include music, dance, design, drama and photography.

To participate in the program, students from York County school districts and others in grades 6-8 apply and audition for the program. Nearly 300 students attend three weeks of music, dance, drama, design and photography classes on Winthrop's campus each summer. Most importantly, scholarships are available with participating districts to students to cover tuition.

*Exercising Empathy* is a group exhibition that invites multi-sensory interaction with ideas of human connection, concern, and compassion. The exhibition explores how art, design, and public engagement promote the kind of flexible thinking and creative problem solving needed to strengthen empathic responses.

As the viewer navigates the gallery space, they are confronted with works that ask them to question their understanding of the world and their relationship to people and places, both near and far.

Participating visual and design faculty include: Shaun Cassidy, Myles Calvert, Johnathan Andrew Davis, Mikale Kwiatkowski, Karen Oremus, Claudia O'Steen and Stephanie Sutton.
