ISSUE #5

We are @ArtsWinthrop.

ArtsWinthrop now has a TikTok! Whaaatttt?????

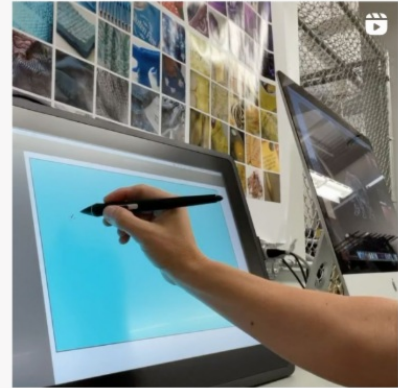

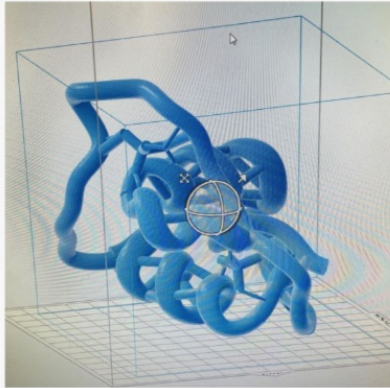

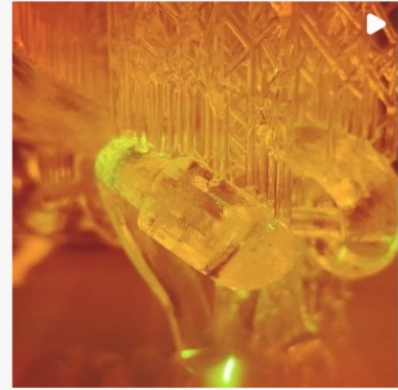

And we are looking for CVPA students to create content for it!
THAT MEANS YOU!!!

ArtsWinthrop is looking for at least 1 TikTok representative from each Major in the CVPA to create content! We believe our content will be more interesting and sincere if it comes from our students! If you are creative, and would love to contribute some content to the ArtsWinthrop account let us know.

We are also going to be doing a TikTok competition--whoever can create the best TikTok to represent ArtsWinthrop will be featured on the WinthropU TikTok account next month!

Email me at gradl@winthrop.edu if you are interested in becoming an ArtsWinthrop representative or competing!

Have you heard of The CreatorSpace?

Winthrop CreatorSpace is an interdisciplinary lab open to all Winthrop students, faculty and staff as well as members of the community! Located on the ground floor of Rutledge, it has a bunch of amazing technology that students and faculty can utilize and check out for FREE!

If you are a teacher and would like to schedule a class demo, contact Anna Dean at deana@winthrop.edu

HAND. BLOCK. FIBER.

Opening at the York County Arts Council
 April 9- May 6, 2022

The Relief Printmaking class (ARTS337) from Winthrop University's Department of Fine Arts will be doing an Instagram Live takeover on the Speedball Art account, @speedballart, on **March 10** to promote their upcoming exhibition **Hand. Block. Fiber.** Watch artists live create prints of life-sized woodblocks on paper and fabric, and catch a glimpse into our busy printmaking studio at Winthrop!

"Hand. Block. Fiber. is the collaborative effort of ten Relief Printmaking students from Winthrop University. Throughout the semester, the focus has been on individually developed concepts and the evolution from technical assignments into a cohesive body of work. Through portraiture, life-sized figures, and repeat patterns, hand-carved woodblocks have been printed on a variety of specific papers and fabrics to further independent thought and interests. We invite conversation, debate, and a space to reflect upon the research presented."
