.....
 INDS courses described are generally only offered once per year, and in the semester indicated (courses in Bold).
 Any deviation to the recommended course sequence of program classes may result in delayed matriculation.

Notes:

- 1 = "General Education" university requirement. See list of approved classes in Winthrop's catalog, website, or scheduling bulletin.
- 2 = 2 designators needed; if PLSC201 or ECON103 are taken, other designator must be different
- 3 = Requirements for review: completion or in progress all of: DESF 113, 120, 150, 154, 161, 222, and INDS 213, 223 and 225 with a grade of C+ (minimum) in each class. The review is offered 3x per year and passage of the review is required for all INDS classes numbered over INDS 300. Courses numbered above INDS300 require a minimum grade of C to count toward progress in the major.
- 4 = If PLSC 201 or ECON103 are taken, then Const. Req. is met and requirement reverts to 'elective; student takes 1 (total: 3 cr. hr.) Soc. Sci. class to complete obligation. If HIST is taken, student must still take 6 hrs. Soc. Sci., 2 diff. designators.
- 5 = ALL students required to take at least 3 cr. hr. QUANT. and 1 "Lab Science" (6-7 cr. hrs. total). Last obligation (3-4 cr. hrs) can come from either QUANT. or Nat. Sci. (but, if Nat. Sci., must be different category than lab science course).
