Rules Committee

At the March 7th meeting, the Rules Committee will recommend a motion to Faculty Conference to place an item on the April 25th agenda. The item the Rules Committee recommends Faculty Conference consider is a change to the Faculty Manual regarding the membership of the Admissions Advisory Committee. The vote regarding the membership of the Admissions Advisory Committee would occur at the April 25th meeting, if the motion to place it on that agenda is approved.

Faculty Manual language for the Admissions Advisory Committee currently reads

***Section 9** The Admissions Advisory Committee shall be responsible to the Faculty Conference for appropriate reports and policy recommendations concerning the recruitment and admission of students. Because recruitment and admissions require long-range planning and are vitally connected to the University's fiscal condition, the committee shall be responsible for remaining informed about the University's strategic recruitment and admissions plan through consultation with appropriate administrators and staff. The committee shall report to the Faculty Conference at least once each semester.*

*Membership of the committee shall consist of five tenured or tenure-track faculty members - one member elected by the faculty assembly of each major academic division. **The Dean of Enrollment Management shall serve as a nonvoting, ex-officio member.** The chair of the committee shall be a voting member and elected by the committee's voting members. The chair shall serve a one-year term. The voting members shall serve three-year terms which shall be staggered as determined by Faculty Conference regulations.*

The Committee recommends changing the second sentence of second paragraph to read,

"The Dean of Enrollment Management and the Director of the International Center shall serve as nonvoting, ex-officio members"

Reason for recommending the change: To reflect the current delineation of responsibilities for domestic and international undergraduate student admissions
