LETTER OF COMMITMENT

In furtherance of my interest in advancing the work and mission of Winthrop University, I, on behalf of myself and in the event of death, on behalf of my estate pledge the sum of _____ to the Winthrop University Foundation. I (we) recognize this commitment as a debt against my estate and direct my executor, administrator, trustee, or other personal representative to pay any outstanding balance on this commitment as soon as possible from the date of my death. My gift shall be used for the purpose of contributing to the _____. The Foundation may publicly acknowledge this gift upon proper Donor authorization.

As a service to donors, the Winthrop University Foundation will mail a pledge reminder statement on the anniversary date of the pledge unless noted otherwise below. I understand that an IRS qualified gift receipt will be sent directly from the Foundation as gifts are received. I intend to make gifts per this installment schedule.

Pledge Payment	Date (Month, Year)

I recognize that Winthrop University and Winthrop University Foundation, in consideration of and as consideration for this pledge and gift, will rely on this pledge and gift in securing the commitments of others. Further, on the same basis, the University and/or Foundation may anticipate this gift in authorizing the payment of expenses of the University and/or the Foundation consistent with the purposes described above. I acknowledge that IRS regulations prohibit a Donor Advised Fund sponsor from making any reference to this commitment in connection with any distribution.

This Letter of Commitment shall be interpreted under the laws of South Carolina. Donors planning to use grants from a Donor Advised Fund to satisfy part of this commitment should consult their tax advisor. In the event of unforeseen circumstances, I will contact officials at the Foundation and work with them to develop a new pledge schedule.
