

MODEL UN DEBATE SCRIPT FOR ALL COMMITTEES EXCEPT SECURITY COUNCIL

Remember the routine of debate in the following steps!

Give any amendments to the chair in writing using the amendment form.

You can have co-sponsors ready to go or work the crowd during an unmoderated caucus.

- 1. Roll Call:** Present or Present and Voting

- 2. Reading of Resolution:** Having a hard copy helps!

- 3. Important Question:** Motion to make document an important question or not and vote

- 4. Formation of a Speaker's List:** You can always switch later if so inspired.

- 5. Motion for a 3min Unmoderated Caucus:** Caucus for yielding time if you are low on the speaker's list (you might have a long and short speech handy) as well as finding co-sponsors for amendments-you can have speeches in modular format.

- 6. Debate starts.** At least 6 speakers before amendments are introduced by original writer or a co-sponsor when they are up at the podium

- 7. Motion for Cloture of Debate:** Don't do this too soon!

- 8.** When cloture passes someone can motion for division of the question-but that takes time.

- 9. Motion for Roll Call Vote with Rights:** Someone can also motion at this point for a roll call vote with rights. If you have already spoken A LOT, let the quiet ones have their chance!
