You may pay for a friend but you cannot lend them your card. You must bring your physical card to use your meal plan to pay, a photo of your card will not be accepted for payment. Scan the barcode on the front of the card to pay at any of our locations. Use Eagle Bucks and Café Cash to pay for online orders by adding your meal plan as a payment method in the Everyday App.

How to purchase

Resident students will select a meal plan when applying for housing.

Commuters may purchase a meal plan by visiting Winthrop Marketplace (visit My Meal Plan on our site for more info).

If you have questions about meal plans or any of our services, please call the Administrative Office for Dining Services at (803) 323-2119.

Swipe Out Hunger

For every mandatory meal plan sold, Dining Services donates a meal to a Swipe Out Hunger bank for food insecure students on campus. The use of the Swipe Out Hunger program is kept in the highest confidentiality, the meal swipes are added to the students ID and work just-like a regular meal plan.

We partner with the Dean Of Students office to ensure students are provided for beyond just meals. There are resources on campus such as food pantries and connections in the community as well as employment opportunities for all students. Miranda Knight (Assistant Dean of Students) meets with each student to ensure their specific needs are met.

If you or someone you know needs assistance, please contact Miranda Knight at deanofstudents@winthrop.edu.
