

In consideration for the brevity of the agenda, it was decided that the Committee on Undergraduate would vote electronically (via email) rather than physically meet at 2:00pm on Friday, September 18, 2015 in the West Center Computer Lab. Voting members Clifton Calloway, Malayka Klimchak, Jason Tselentis, and Kristen Wonderlich unanimously approved the following items.

**Program Change Items (Degree) recommended and forwarded to Academic Council for action:**

| Degree | Major | Conc. | Department | Action                                                                                                                                                                    |
|--------|-------|-------|------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| BA     | PSYC  |       | Psychology | <b>MODIFY PROGRAM:</b> Allow a maximum of 3 semester hours for PSYC 471 and/or 472 toward the major and up to 6 semester hours of PSYC 471 and/or PSYC 472 towards the BA |

**Course Action Items approved at CUC Level but require no further action:**

| Subject | Course | Title                                    | Department              | Action                                                                                                                                                                        |
|---------|--------|------------------------------------------|-------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| PHIL    | 340    | Environmental Ethics                     | Philosophy and Religion | <b>NEW COURSE</b>                                                                                                                                                             |
