Proposal for Summer Academic Standing: To allow summer to act as a "grace" term for all students on probation or good standing, in that the GPA earned at the end of the summer will not place a student on probation or suspension, but would allow students on probation to get back in good standing.

Justification: Out of seven schools in North and South Carolina researched (USC, Clemson, Coastal, UNCC, College of Charleston, Western Carolina, and Lander), only one school, Lander, runs academic standing at the end of summer and will suspend students as necessary. All the others have varying policies, including allowing spring suspended students to take summer, but none of them suspend students at the end of summer.

Winthrop has increased its minimum GPA to 2.0 for all students. With shorter class meetings, summer classes are often pedagogically more challenging than in fall or spring semesters. Providing this option for students would encourage summer enrollment and not adversely affect their standing. Often students take summer classes to get ahead or get back on track. According to our current policy, a student who earns a C- could be penalized.

In terms of processing, Banner will allow us to identify students who return to good standing and then we would manually adjust their standing.
