Jennie Rakestraw, Dean Beth Costner, Associate Dean Shawnna Helf, Director of Graduate Studies

#### **Mission Statement**

We prepare professionals to become lifelong leaders, learners, and contributing citizens who demonstrate excellence in their fields in order to serve individuals, schools, partner organizations, and the community. Our work is grounded in a rich heritage that creates a culture of caring, excellence, and innovation.

# **Undergraduate Degree Programs**

- Bachelor of Science in Early Childhood Educat South Carolina Certification: PK- 3rd grade
- Bachelor of Science in Educational Studies (Pending approval of the SC Commission on Higher Education)
- Bachelor of Science in Elementary Education

South Carolina Certification: Grades 2 - 6

• Bachelor of Science in Exercise Science

Concentrations in Athletic Training and Exercise Science

• Bachelor of Science in Human Development and Family Studies

Specializations: Child and Adolescent Studies, Child and Family Services, or minor in Gerontology

• Bachelor of Science in Middle Level Education

**English Language Arts** 

Mathematics

Science

Social Studies

South Carolina Certification: Grades 5-8

• Bachelor of Science in Physical Education

South Carolina Certification: Grades K - 12

• Bachelor of Science in Special Education

Multi-Categorical with add-on in Severe Disabilities

South Carolina Certification: Grades K - 12

Bachelor of Science in Sport Management

Additionally, the Richard W. Riley College of Education works cooperatively with the College of Visual and Performing Arts and the College of Arts and Sciences to offer a number of approved teacher education programs in the following areas:

French

Art, Grades K - 12 Modern Languages, Grades K - 12

Biology, Grades 9 - 12 Dance, Grades K - 12 English, Grades 9 - 12

Mathematics, Grades 9 - 12

Spanish Music, Grades K - 12

Social Studies, Grades 9 - 12 Theatre, Grades K - 12

# **Graduate Degree Programs**

The Richard W. Riley College of Education offers a number of graduate degrees to provide leadership and personnel for schools and human service programs. These graduate degrees include:

- Master of Arts in Teaching (Pathways include accelerated, traditional, and residency)
- Master of Education in Counseling and Development (Mental Health and School)
- Master of Education in Educational Leadership
- Master of Education in Literacy
- Master of Education in Special Education-Intervention
- Master of Science in Sport and Fitness Administration
- Educational Specialist in Educational Leadership
- Graduate Certificate in Learning Technologies
- Post-Graduate Certificate in School Counseling

For more information concerning the graduate programs, visit:

https://www.winthrop.edu/coe/graduate/ or contact the Graduate Director

# Accreditations

The Richard W. Riley College of Education is proud of its accreditations and affiliations. The Education Program at Winthrop University is accredited by the Council for Accreditation of Educator Preparation (CAEP) to offer initial teacher preparation programs as well as advanced educator preparation. The Athletic Training program is accredited by

the Commission on Accreditation of Athletic Training Education (CAATE), the Sport Management program is accredited by the Commission on Sport Management Accreditation (COSMA), and the Exercise Science program is accredited by the Commission on Accreditation of Allied Health Programs (CAAHEP). All education programs are approved by the South Carolina State Board of Education, and all programs are fully accredited by their specialized professional associations. Recognition by these agencies assures program quality and affords students who complete teacher preparation at Winthrop University the opportunity to apply for reciprocal certification with a majority of states in the nation.

## **Academic Advising**

Academic advising is an integral part of the learning process at Winthrop University. Faculty in the Richard W. Riley College of Education believe engagement with students enhances teaching and campus life. All students in the College of Education are assigned a faculty adviser. Faculty advisers work with students to review academic goals and explain how course work and field assignments assist them in attaining their personal and professional goals. Students have a responsibility to schedule regular appointments with the faculty adviser. Students can make the most of advising by reading this Catalog, reviewing advising materials from the program, and being prepared for discussion of academic goals, responsibilities, and requirements.

Additionally, the College provides a full-time academic adviser to assist new students while supporting continuing students and advisors as needed. After initial meetings and communication around orientation, a faculty adviser from the student's chosen discipline of study will be assigned. The Richard W. Riley College of Education's academic adviser is located in the Office of Student Academic Services, 144 Withers/WTS, (803) 323-4750.

Prior to course registration, students are required to have the approval of their faculty adviser. Students may change advisers through a formal request to the appropriate department chair.

# **Teacher Education Additional Requirements**

# Professional Education Unit Standards and Core Curriculum

Initial teacher preparation at Winthrop University is built around the central belief that teachers must be able to demonstrate knowledge, skills, and dispositions that produce learners prepared for 21st century challenges within the context of a free and democratic society. Through field-focused learning in school partnership settings, candidates demonstrate evolving skills in the domains of differentiation, cultural competence, assessment, professionalism and perseverance. These domains are embedded throughout an integrated series of classroom and field experiences involving core and discipline-specific curricula, grounded in evidence-based practice and professional standards, and designed to support teacher candidates as they learn about themselves, individual learners, classrooms, and the American school system. Expectations for candidate professional dispositions include upholding high standards of fairness, integrity, communication, and commitment. To review the complete Initial Teacher Preparation Unit Standards Framework, visit https://www.winthrop.edu/coe/conceptual-frameworks-and-dispositions.aspx. Students' progress in each of the organizing Unit Standards and professional dispositions is assessed as they demonstrate the competencies needed to be effective educators.

The Education Core is an academic department that serves all initial educator preparation programs by providing foundational experiences that prepare future teachers for the diverse and inclusive environments in which they will work. Course content and clinical rotations are intentionally integrated at multiple points in the program to support candidate understanding, application, and generalization of Education Core concepts and ideas.

The Professional Education Core generally consists of:

ED 60 404		_
EDCO 101	Observation and Analysis of Culturally Responsive Teaching	1
EDCO 200	Developmental Sciences and the Context of Poverty	3
EDCO 201	Supporting the English as a Second Language Student in the Gen Ed Classroom	2
EDCO 202	Supporting Exceptional & Gifted Learners in the Gen Ed Classroom	2*^
EDCO 220	Assessment to Meet Diverse Needs	2*^
EDCO 305	Technology in the Inclusive Classroom	2
EDCO 350	Academic & Social Strategies for Establishing an Inclusive Classroom Climate	3*
EDCO 401	Internship I	1+
EDCO 402	Internship II	9+
EDCO 410	Education in a Democracy	2
<b>Total Credits</b>	·	27

<sup>\*</sup>Some programs may have substituted other classes for these courses.

NOTE: The College of Education faculty are continuously reviewing and revising curricula to meet the needs of contemporary schools and changing federal and state requirements. Students applying to Winthrop should be alert to curricular changes as they occur and how those changes impact their programs.

# Criminal Background and Sex Offender Check Requirement

In order to fulfill South Carolina legislative requirements and related public school policy, all students who participate in any type of field-based experience (e.g., service learning, observation, tutoring, practicum, internship) associated with

<sup>^</sup>Students with 30 credit hours and enrolled in or have credit for EDCO 201/202 will be required to enroll in EDCO 191 (a Praxis Core preparation course) if the testing requirement is not met. Students will be enrolled in EDCO 191 each term until a satisfactory grade is earned in EDCO 191 or the testing requirement is met.

<sup>+</sup>These courses require participation in a pre-and post-semester orientation that follows the school district calendar.

schools or other educational agencies must undergo a name-based South Carolina criminal records search by the South Carolina Law Enforcement Division (SLED) and a National Sex Offender Registry check. Students must show a clear record on both background checks. If a criminal record is revealed, results are considered on an individual basis to determine whether or not the student should be placed in the field experience. These decisions are usually made by the Director of Field and Clinical Experiences, Associate Dean, and Dean. The college personnel work in conjunction with the school district or educational agency when necessary. In cases of charges that could impact certification, students will not be placed in a field-based experience unless court records indicate that the matter was legally resolved or expunged from the individual's criminal record history. Winthrop will not place students who have been convicted of a violent crime as outlined in law, whose names appear in the National Sex Offender Registry, or who have been required to register as sex offender pursuant to state law.

A second and more extensive FBI and SLED check is required prior internship year for teacher education students in order to meet state certification requirements. In order to be placed in the internship settings, students must show a clear record and no offenses that would make them ineligible for initial certification. This process is part of a larger application to the SC Department of Education that occurs approximately six months in advance of the Internship II experience.

The College of Education has appropriate processes in place for accomplishing the SLED, FBI, and National Sex Offender Registry background checks for students. Undergraduates are charged a course fee that pays for the initial check in EDCO 101. Candidates pay directly for the second review when completing the certification application forms through the South Carolina Department of Education and engaging in the finger print process with a certified provider. All students who transfer to Winthrop University and seek teacher certification must complete the initial review in the first semester of coursework per guidance provided by Student Academic Services staff. This fee will be added to the student's Winthrop account.

# Admission to the Teacher Education Program

The Teacher Education Program at Winthrop University may be completed by students enrolled in the Richard W. Riley College of Education, the College of Arts and Sciences, and the College of Visual and Performing Arts. All students seeking to complete the Teacher Education Program must meet all admission requirements and be formally admitted before they enroll in restricted professional courses (typically beginning in the fifth semester of an undergraduate program).

Admission to the Teacher Education Program serves as a critical assessment point under the unit standards. Admission is granted by the Dean of the Richard W. Riley College of Education or designee who notifies each student of acceptance into the program. All students seeking admission must meet the following requirements:

- 1. Review informational videos on Teacher Education before beginning the application process.
- 2. Complete a minimum of 45 semester hours, 15 of which must be completed at Winthrop University.
- 3. Achieve a minimum cumulative grade point average of 2.75 for coursework completed at Winthrop.
- 4. Complete the following core courses with a grade of "C" or better.
  - a. EDCO 101
  - b. EDCO 200
  - c. EDCO 201 OR 202
- 5. Meet state testing requirement outlined at https://www.winthrop.edu/coe/sas/ed-admission-testing.aspx.
- 6. Submit an Application for Admission to Teacher Education to Student Academic Services that includes:
  - a. Confirmation of all requirements
  - b. Disclosure statement concerning criminal/unethical conduct including any judicial or disciplinary action taken while enrolled at Winthrop University or another institution of higher education; and
  - c. Dispositional self-reflection as directed by Student Academic Services resources.
- 7. Once an application is submitted (http://www2.winthrop.edu/teachered/), requirements are reviewed and an applicant receives provisional admission that allows registration.
- 8. A Review Committee comprised of faculty from the candidate's major and education core meets three times annually to review the dispositional reflection and makes recommendations related to full admission. Candidates needing improvement will be notified and may resubmit a revised reflection.
- 9. These recommendations are used by the Dean of the College of Education in decisions for full admission.

Testing Requirements (https://www.winthrop.edu/coe/sas/testing-requirements.aspx)

Students must meet the test requirement before enrolling in EDCO 201/202. In cases where the student has not met this expectation, they will be required to enroll in EDCO 191 (a Praxis Core preparation course).

Candidates must also meet state required scores on all Praxis Subject Assessments associated with certification prior to the Internship II experience. For Educational Studies minors working toward the MAT-Accelerated program, the certification exam is required for admission to the graduate program. https://www.winthrop.edu/coe/sas/ed-subject-exam.aspx

During the Internship II candidates will engage in a performance assessment. The edTPA requires candidates to plan, teach, and assess a learning segment while analyzing these tasks.

# **Continuation in the Teacher Education Program**

Candidates admitted to the Teacher Education Program are required to *maintain* a minimum overall grade point average of 2.75 and must be in good standing within the university community. Candidates must submit an Internship application the spring before they begin the Internship I and begin the application process for SC Initial Certification that includes a background check. Refer to the Student Academic Services website for current fees: http://www.winthrop.edu/uploadedFiles/coe/sas/LicensureFAQs1.pdf.

Placements in schools for teacher education field experiences, practica, and internships will be within a 60-mile radius of the university campus. Travel to and from placements is the student's responsibility, and the student must assume liability for any required travel.

# Requirements for Admission to Internship I

The following expectations must be met prior to the Internship I:

- 1. Submission of an electronic Internship I application to the Office of Field and Clinical Experiences.
- 2. Minimum cumulative GPA of 2.75 for coursework completed at Winthrop.
- 3. Satisfactory application and review process required by the SC Department of Education.
- 4. A grade of "C" or better in courses designated by the candidate's program area and all EDCO courses.
- 5. Completion of all required pre-requisite courses designated by the candidate's program area.
- 6. Completed disclosure statement regarding criminal or unethical conduct.
- 7. Competency Review indicating satisfactory completion of
  - a. EDCO 201 and 202 or equivalent courses,
- b. Satisfactory performance in the field experience including passing scores on the Field Experience Final Evaluation, and
- c. Evidence of satisfactory professional dispositions.
- 8. Receive a favorable review from:
  - A Competency Review Committee comprised of the program coordinator and two additional faculty;
  - The Department Chair in the candidate's major; and
  - The Director of the Office of Field and Clinical Experiences.

# Requirements for Admission to Internship II

The following expectations must be met before beginning the Internship II experience.

- 1. Submission of an electronic Internship II application to the Office of Field and Clinical Experiences.
- 2. Completion of a minimum of 110 semester hours.
- 3. Minimum GPA of 2.75 for coursework completed at Winthrop.
- 4. A grade of "C" or better in courses designated by the candidate's program area and all required EDCO course with the exception of EDCO 401 and EDCO 410.
- 5. Completion of all required pre-requisite courses designated by the candidate's program area.
- 6. Documentation of passage of Praxis content area examinations as appropriate for the certification areas. While all French and Spanish majors are required to take an oral proficiency interview (OPI) [http://www.languagetesting.com/oral-proficiency-interview-opi-2] as a requirement for graduation, we recommend that candidates seeking certification in French or Spanish be able to demonstrate proficiency at the Advanced Low level.
- 7. Completed disclosure statement regarding criminal or unethical conduct.
- 8. Competency Review indicating satisfactory completion of
  - a. EDCO 305 and 350 or equivalent courses,
  - b. Satisfactory performance in Internship I including passing scores on the Internship I Final Evaluation, and
  - c. Evidence of satisfactory professional dispositions.
- 9. Receive a favorable review from:
  - a. The Competency Review Committee comprised of the program coordinator and two additional faculty;
  - b. Department Chair in the candidate's major; and
  - c. The Director of the Office of Field and Clinical Experiences.

# **Teacher Education Program Completion**

To exit the program, teacher education candidates must meet all degree requirements as well as the following requirements:

- 1. Successful completion of a minimum of 120 semester hours with a minimum GPA of 2.75.
- 2. Passage of EDCO 402 Internship II and EDCO 410 Teaching in a Democracy.
- 3. Complete all required professional development activities for the Supplemental Education Experiences and submit all required documentation. Specifics for this program are posted on the Student Academic Services website.
- 4. Successful completion of a competency review by the program area committee in which the following documents are reviewed:
  - a. Internship II Midterm and Final Evaluations,
  - b. Scored Rubrics for the edTPA assessment,
  - c. Portfolio of attendance for required Supllmental Education Expereicnes, and
  - d. If appropriate, a review of Teacher Education Professional Dispositions and Skills Form(s).
- 5. Receive a favorable review from:
  - The Competency Review Committee comprised of the program coordinator and two additional faculty;
  - Department Chair in the candidate's major; and
  - The Director of Clinical Office of Field and Clinical Experiences.

### Appeals

Any student wishing to appeal an admission decision, a program requirement, an internship placement issue, or a certification recommendation issue must make such an appeal in accordance with the policies and procedures established

by the Educator Preparation Committee (EPC). For more information and required documentation see: https://www.winthrop.edu/coe/sas/forms-and-policies.aspx. Petitions must be completed with accurate information and include appropriate supporting documentation. Students are strongly urged to develop their petitions with the direct assistance of their faculty advisers. All petitions must be signed by the student, the student's adviser, and the department chair of the student's major area. The completed petition is submitted to and endorsed by Student Academic Services (144 Withers). The Appeals Subcommittee reviews the request from the student and makes a recommendation to the Dean of the Richard W. Riley College of Education. Students are then notified in writing of the Dean's decision within thirty working days.

WRIT 350	Introduction to Composition Theory & Pedagogy	3
ENGL or WRIT Elective		3

<sup>\*</sup>Students in MLED concentration intending to pursue the MAT are encouraged to include the following courses or equivalents as electives to shorten time at graduate level: ENGL 507, ENGL 530, MLED 300, and READ 346.

Middle Level Education - Mathematics+		18-19
MLED 310	Developmental Aspects of Middle Level Learners	3
MATH 150	Introduction to Discrete Mathematics	3
MATH 291	Basic Number Concepts	3
MATH 101 & 201 or MATH 105 & 151	Algebra/Trig for Calc, Calc I; Applied Calc, App Col Algebra	6-7
Applied Statistics (suggested MATH 141)		3

<sup>\*</sup>Students in MLED concentration intending to pursue the MAT are encouraged to include the following courses or equivalents as electives to shorten time at graduate level: Trigonometry (included in MATH 104 and MATH 101), MATH 292, MATH 393, MATH 370, MLED 300, and READ 346.

Middle Level Education – Science+		18
MLED 310	Developmental Aspects of Middle Level Learners	3
Lab Science in 3 areas		12
BIOL, CHEM, GEOL/Earth Science, or PHY	'S	3

<sup>\*</sup>Students in MLED concentration intending to pursue the MAT are encouraged to include the following courses or equivalents as electives to shorten time at graduate level: 6 to 8 additional science credits in two different categories, MLED 300, and READ 346.

Middle Level Education - Social Studies+		18
MLED 310	Developmental Aspects of Middle Level Learners	3
World History		3
HIST 211 or 212	U.S. History to 1877, U.S. History Since 1877	3
ECON (suggested ECON 103)	·	3
American Government (suggested PLSC 201	)	3
GEOG		3

+Students in MLED concentration intending to pursue the MAT are encouraged to include the following courses or equivalents as electives to shorten time at graduate level: SC history course; additional world history or world civilization to cover ancient to present; additional US history to cover colonization through present; additional course in geography to cover second region; ANTH/SOCL/PSYC course; MLED 300; and READ 346.

Physical Education Teacher Educatio	n~	18
DANA course		1
PETE 101	Intro to Teaching P-12 Physical Education	3
PETE 223	Adventure Facilitation & Leadership	2
PETE 234	Teaching Invasion and Fielding Games	3
PETE 248	Teaching Net/Wall and Target Games	3
PETE 300	Physical Education Curriculum	3
3 PESH activity courses to include:	Fitness & Conditioning; Aquatic; and Outdoor	3

<sup>~</sup> Students pursuing PETE with the intent of the MAT Accelerated program should take all courses in the concentrations and PETE 502 / 512 / 566 / 591 and PESH 242. Additional courses can be counted in the Core or as General Electives.

Special Education		18
MATH 291	Basic Number Concepts	3
READ 330 or 331	Foundations of Literacy	3
SPED 281	Introduction to Special Education	3
SPED 382	Intellectual Disabilities and ASD	3
SPED 561	Characteristics of Child with Learn Disabilities	3
SPED 583	Child with Emotional/Behavioral Problems	3
Minor or Second Concentration		15-18 12-16

# RICHARD W. RILEY COLLEGE OF EDUCATION--MIDDLE LEVEL EDUCATION

# **Bachelor of Science in Middle Level Education**

This degree is designed for students who wish to teach in middle schools. The curriculum of the degree prepares the middle level educator to teach in one content area. Each student will select a content concentration from the following options: English/Language Arts , mathematics, science or social studies. Due to the complexity of this degree, its content areas and general education requirements, students are urged to always receive prior approval from their advisers before enrolling in any course.

# Bachelor of Science in Physical Education - Teacher Certification

This degree is designed for students who wish to teach physical education. The curriculum of the degree prepares physical educators to teach in grades Pre-K through 12. Due to the complexity of this degree, its content areas, general education requirements, and lack of electives, students are urged to always receive prior approval from their advisers before enrolling in any course.

<sup>\*\*</sup>C or better must be earned and cannot be taken on the S/U basis.

After 30 hours, all teacher candidates must meet the following requirements:

- 1. A "C" or better in EDCO 101 and all PETE courses.
- 2. Meet testing requirement or have attempted Praxis Core since admission to the university. A passing score will not be required until the teacher candidate applies for formal admission into the Teacher Education Program.
- 3. Achieve and maintain the healthy zones in aerobic capacity  $(1^{1/2}$  Mile run), muscular strength (push-ups) muscular endurance (curl-ups as measured by the Air Force Fitness Test), and flexibility (sit & reach), as measured by Fitnessgram.+
- 4. Demonstrate the six fundamental movement skills at the proficiency level as measured by Departmental rubrics.+
- 5. Complete an application for Continuation in the Teacher Certification program.
- 6. In addition to the above requirements, all requirements must be met for initial admission to the Richard W. Riley College of Education.

Before enrolling in EDCO 402, 410, and PETE 490, teacher candidates must:

- 1. Achieve a C or better in PETE 566 and 591
- 2. Pass Praxis II: Physical Education Content and Design (0095/5095).
- 3. Complete all other degree coursework.

See pages 15-17 for additional degree requirements.

# **Exercise Science Admissions Criteria**

Students must earn a 2.5 GPA at the completion of 45 semester hours in order to be eligible to take any 300 or above level courses from the Department of Physical Education, Sport and Human Performance. Students are also required to maintain a 2.5 GPA throughout the remainder of their academic career in order to remain an EXSC major.

# For admission to the EXSC Internship

- 1. Senior Status
- 2. Completion of BIOL 213/214 or 307/308 with "C-" or better.
- 3. Minimum of 2.5 cumulative GPA.
- 4. Advisor and program approval.

# For Graduation:

- 1. Minimum of 2.5 cumulative GPA.
- 2. Completion of all internship required hours and supporting documents (EXSC 494/496).
- 3. Take national NCCA-accredited B.S. level certification exam (EXSC 492 or 493)

 $See\ pages\ 15\text{-}17\ for\ additional\ degree\ requirements.$

Choose one elective from each of two categories:		
The Direct Service Level CategoryGRNT 340ABC, GRNT 550, EXSC 511, SCWK 306, NUTR 221, HLTH 507,		3
PSYC 213, and SCIE/GRNT 301.		
The Administrative/Organizational Level CategoryHCMT 200, GRNT 473, GRNT 550, HLTH 500, SOCL 339,		3
PSYC 515, and SCWK 531.		3
Final 3 credits, choose from above.		

- 1. Entering freshmen can declare Human Development & Family Studies as a major.
- 2. All Human Development & Family Studies students must select a specialization (Child and Adolescent Studies or Child and Family Services) or minor in Gerontology.
- 3. Students may elect to do a minor in a related field as part of their free electives.
- 4. Students must have maintained a C or better in specialization classes.
- 5. Students must have maintained a C or better in HDFS Professional courses.
- 6. HDFS 101 (Intro), 500 (Family Life Education), and 573 (Career Education) are pre-requisites for the internship.
- 7. A maximum of 15 credit hours (including the internship) are allowed during the semester in which the internship is taken.
- 8. The internship site must be approved by the HDFS program in the semester preceding the internship. An application must be filled out by the stated due date.
- 9. Students who successfully complete the HDFS program are eligible to apply for the Certified Family Life Educator Credential. Students are required to complete the HDFS Professional Core at Winthrop to be recommended for certification.

# **Additional Requirements:**

- 1. Students must meet all University requirements and earn a cumulative grade point average of 2.25 or greater in order to graduate.
- 2. The following courses are restricted to Human Development & Family Studies majors or minors in good standing (a 2.25 minimum cumulative grade point average) or with permission of the instructor: HDFS 350, 370, 450, 500, 594, and 595.
- 3. Students must complete a minimum of 40 hours of courses numbered above 299. In order to meet this University requirement, students may have to take courses above 299 as their electives.

See pages 15-17 for additional degree requirements.
