PRESIDENT MAHONY'S QUESTION AND ANSWER SESSION

With the new logo being added to Winthrop's state vehicles, when will one be added to the Admissions vehicle that is used to promote and recruit new students?

Scholars Walk is looking a bit rundown with rotting wood on the base of the pergolas. Are there are any plans to fix this soon?

I'm concerned by the number of cars that drive the wrong way on Alumni Drive in front of Tillman/McLaurin on an almost daily basis. Oftentimes, these cars are traveling at very high speeds. I'm afraid this may cause an accident one today. Are there any plans to address this issue, i.e., perhaps a larger sign at the corner of Alumni Drive and Park Avenue where most of these cars can enter?

Can we have an update on the food service provider contract? (This question was submitted before the official announcement last week.)

STAFF CONFERENCE CAN'T...

- ...take care of your personal grievances.
- ...be a place to complain about problems, but not offer/not work toward a solution.
- ...read your mind.
- ...be an extension of your lunch hour.

STAFF CONFERENCE CAN...

- ...be your direct line to the administration for questions, concerns, etc., and let your voice be heard.
- ...provide you with networking and professional development opportunities.
- ...give you opportunities to lead.
- ...motivate you.
- ...boost your “work mood.”
