## Fall Treats for All

Fall brought treats for all the staff with some new and returning festivities. For the first time, the President's office hosted a Department Decorating Contest and the offices were out of this world and the group costumes were super!

The annual Staff Fall Fest was a great party. Big thanks to the Sernas for hosting and making this event possible! We loved the pumpkins, the costumes, and all the great treats.

The President's Office looked Wonderful in their Wizard of Oz costumes, pictured below.

Fall Treats for All continued on page 4.

The next Staff Conference Meeting is on Friday, November 17 at 2:30 p.m. in Owens G02.

Missed the last meeting?

**How many years have you been at Winthrop?**

This September was one year for me.

**What makes Winthrop special to you?**

Winthrop holds a special place in my heart, a connection that spans back to my childhood in Rock Hill. The captivating beauty of the campus always left a lasting impression on me. In my early twenties, I embarked on a journey as a non-traditional student at Winthrop University. This is when I discovered how amazing the people were at Winthrop University. I had the privilege of learning from some of the finest faculty members and received the best support from a dedicated staff. Reflecting on those years, I can genuinely attest that pursuing my bachelor's degree at Winthrop University was among the most enriching and fulfilling chapters of my life.

**What drives you to make such a difference?**

My strong work ethic is a direct reflection of the values instilled in me by my mother. From her, I

learned the importance of showing up, maintaining a positive attitude, and completing tasks with dedication. Additionally, I consider it a great honor to now serve in a supportive role at the university that played a pivotal role in shaping me into the successful woman I am today.

**What is your favorite part of Winthrop?**

The beautiful campus. Specifically Tillman Hall where I am fortunate enough to work.

**What do you do in your spare time? Hobbies?**

Spending quality time with my precious eleven-year-old daughter. Once she has worn me out, I find solace in reading.

**If you had to tell an incoming student one thing about Winthrop, what would it be?**

Study abroad!

# Winthrop Fountain

It's been 5 long years since the water flowed from the iconic Winthrop fountain. During Homecoming, faculty, staff, students, and alumni joined the President to watch the newly reconstructed fountain come back to life.

*A more formal event will be held in the spring to thank the donors of the project*

# NAMI Walk

Winthrop staff participated in the National Alliance on Mental Illness' annual NAMIWalk on October 7th! Pictured (from left to right): Kelly Scott from Institutional Effectiveness crossing the finish line; Fatima Castro and Kyle Conrad from Admissions taking a celebratory group photo.

# Spotlight on Staff Assembly

I have been at Winthrop as an employee in various positions in facilities for five years, I have completed three and a half years of college credits (two and a half at Winthrop and my freshman year at Sewanee: The University of the South), I am from Rock Hill, I have five pets (two cats and three huskies), and I enjoy sports, cigars, and hiking.
