corner of Scholars Walk and Heritage Lane, and all of the dogwoods and the magnolias.

How many years have you been at Winthrop?

I've been at Winthrop 23 years. Four years as a student and 19 years as a staff member.

What makes Winthrop special to you?

I love our campus. Photographs of both our historic and modern buildings make me so happy, and when I walk across campus, it brings back so many memories.

What drives you to make such a difference?

I love that my team creates the graphics and publications that together form the tapestry of Winthrop's visual identity. We have an important job, introducing Winthrop to those who are not familiar with it and sharing changes and growth with alums who haven't been back to campus in a while.

What is your favorite part of Winthrop?

The trees. Specifically the big Ginkgo in front of Margaret Nance, the tree at the corner of Scholars Walk and Memorial Circle near the Winnie Winthrop statue, the one behind McBryde at the

What do you do in your spare time? Hobbies?

I'm an avid reader. I hike every weekend; in 2021 I started what will be a life-long section hike of the Appalachian Trail. I'm also a big fan of my gym, Burn Boot Camp Rock Hill, and you can find me there every morning.

If you had to tell an incoming student one thing about Winthrop, what would it be?

Winthrop is excited to have you as part of the family. To make the most of your time here, join clubs, talk with your professors outside of class and try new things.

Help for the Holidays

Let Printing Services Help with Your Holiday Cards and Gifts!

Each December, Printing Services loves helping our colleagues by printing their family holiday cards and holiday newsletters. But, this year, we can also help you with gifts as well! We have new equipment that allows us to make custom shirts, cups, mugs, keychains, stickers and more. Prices vary depending on the specifics of the job (e-mail printingservices@winthrop.edu, if you'd like a personalized quote), but as an example, custom t-shirts are \$20 each. If you provide the blank shirt then they are only \$15. If Printing Services is providing the shirt or cup, we will need time to order them, so please place your orders in early December.

But back to the holiday cards and letters. Everyone loves getting mail and just think how you can brighten the days of your friends and family by sending them. Again, the pricing can vary, but as an example, if you want 50 copies of a personalized, 5x7, flat holiday card, the cost is just \$17.20 if you provide the artwork. Add 50 blank envelopes for just \$4.08. If you want Printing Services to save you a ton of time and address those envelopes for you, the cost for the printed and addressed envelopes is just \$24.94.

Bonus, Printing Services is open through December 23 to help with any last minute holiday needs that arise! E-mail printingservices@winthrop.edu with any questions or call them at 803/323-2221.

Staff Photos!

Faculty, staff, and students participated in the York County Crop Walk on November 7. This annual event raises money to fight hunger in York County and normally starts and ends on Winthrop's campus.

First-gen faculty, staff, and students gathered to take a photo on November 12.

The F/S Alumni Lunch took place November 9 during Homecoming Week.

Finding Big Stuff

Can you find Big Stuff? Each issue of Staff Stuff has the illustration to the left of our beloved mascot, Big Stuff, hidden somewhere throughout the pages. If you find him, send an e-mail to staffstuff@winthrop.edu and tell us where he is. Those who find Big Stuff will be entered into a drawing to win a prize. Congratulations to last month's winner:

Starr Albert, *campus engagement specialist, Admissions.*
