

Smart Pen/ Recording Device Student Agreement

Students who have been approved for a "recording" accommodation to assist with note-taking have already signed an agreement (on file at OA) stating they understand and agree to the information below:

- I understand that any recordings of class content are for my personal academic use only. Recorded class content may not be shared with anyone.
- I understand that these recordings may not be reproduced or uploaded to publicly accessible web environments.
- I will not release these recordings, profit financially from these recordings, or allow others to benefit personally from my recordings.
- I agree to delete this recorded material in all formats after the completion of each course.
- I understand that some information shared in class may be of a sensitive nature and that I remain responsible for protecting the confidentiality of others. Public distribution of such materials may constitute copyright infringement in violation of federal or state law, or University policy.
- Violation of this agreement may subject a student to judicial review as a code of conduct violation.

If you have any questions regarding the recording of your lectures and classroom information, please call the Office of Accessibility at 803-323-3290. Thank you!
