

Path to Undergraduate Research Experiences: Social Work

Research Continuum

	Introduction to research skills and experiences	Beginning research experiences	Advanced research experiences
Curricular opportunities at Winthrop	<ul style="list-style-type: none"> <li>• SCWK 330</li> </ul>	<ul style="list-style-type: none"> <li>• SCWK 330</li> </ul>	<ul style="list-style-type: none"> <li>• SCWK 471</li> <li>• SCWK 472</li> <li>• SCWK 473</li> <li>• SCWK 330</li> </ul>
Co-curricular opportunities at Winthrop	<ul style="list-style-type: none"> <li>• Field Seminar</li> <li>• Research and Practice (RAP)</li> <li>• Attend SOURCE</li> </ul>	<ul style="list-style-type: none"> <li>• Field Placement</li> </ul>	<ul style="list-style-type: none"> <li>• McNair Scholars</li> <li>• Research Council Grant</li> <li>• Research with faculty</li> </ul>
Off campus opportunities	<ul style="list-style-type: none"> <li>• Attend National Undergraduate Conference</li> <li>• Attend NASW-SC</li> </ul>	<ul style="list-style-type: none"> <li>• Research opportunities with area agencies</li> </ul>	<ul style="list-style-type: none"> <li>• Research opportunities with area agencies</li> </ul>

Research is an important aspect of social work. It provides important information on the nature and causes of problems that we seek to address. There are multiple ways for you to get involved in research in the department. If you are interested in getting involved in undergraduate research in social work, please contact Dr. Monique Constance-Huggins at [hugginsm@winthrop.edu](mailto:hugginsm@winthrop.edu) or visit me in Bancroft 134.

See <http://www.winthrop.edu/undergradresearch/> for more information about Undergraduate Research at Winthrop University.
